dawn@dawnandres.com

San Francisco, CA

SKILLS

Pro in Photoshop, Illustrator, and InDesign.
Adept front-end web developer in HTML, CSS, and jQuery.
Pre-press production savvy.
Platform agnostic.

EXPERIENCE

11/2010 - present, Graphic Designer and Production Assistant, CREDO Mobile

Bridge the gap between project conceptualization and public release. Work under tight deadlines with diverse stakeholders. Work on design and production of print materials (direct mail, mailing inserts, magazine ads, postcards, brochures and booklets); code, and test HTML emails; monthly marketing design updates to eCommerce website; design/code landing pages; social media ads.

02/2009 - present, Freelance Graphic Designer

Offer a full suite of design capabilities including website design and development, branding, print collateral, and video. Work independently or with a team.

09/2007 - 02/2009, Junior Graphic Designer, Cybernet Entertainment

Distinguished myself as the most web savvy designer among primarily print designers; communicated needs between designers and developers and took on some front-end coding needs. Maintained and strengthened brand identities of 10+ distinct products through web media, print ads, email marketing and communications, and product packaging.

08/2002 - 07/2007, Website and Graphic Designer, Highland Solutions

Designed front-end for small business custom web applications. Performed regular web maintenance and updates for a large portfolio of clients.

EDUCATION

09/2011 - present, Academy of Art University

Pursuing a Master of Fine Arts in Graphic Design part time with evening and online classes.

09/2002 - 05/2005, Columbia College Chicago

Bachelor of Fine Arts in Graphic Design. Course emphasis: typography, publication design, corporate graphics, web design, packaging, photography, advertising, and art history.

09/2000 - 05/2002, The University of Wisconsin—Madison

Bachelor of Fine Arts candidate. Course emphasis: liberal arts and foundation art classes. Radio DJ and Operations Director at WSUM Student Radio.
